PRESS RELEASE
FOR IMMEDIATE RELEASE:

Summer's Last Spin – Bike to STC Live! on Friday, August 28

ST. CHARLES, IL – On Friday, August 28th, the St. Charles Business Alliance invites attendees to celebrate biking and walking in St. Charles at the final STC Live! performance of the season. STC Live!, presented by McNally's Heating & Cooling, took place throughout the summer on Wednesday and Friday evenings at the 1st Street Plaza and at various local businesses.

Starting at 6 p.m., individuals will have the chance to enjoy a live music performance by the Corey Marshall Trio. Along with the musical entertainment, various community groups will be onsite providing information, resources, and giveaways (while supplies last), on how to make the most of biking in St. Charles. Sammy's Bikes will also be on the 1st Street Plaza providing complimentary adjustments for bicycles, as well. Individuals who ride their bike to the event can also receive a free water in a limited-edition St. Charles aluminum bottle (while supplies last).

Attendees are also encouraged to visit the brand-new seasonal bike mural, recently installed on the steps of the 1st Street Plaza. The vibrant mural celebrates St. Charles' biking community and provides a colorful backdrop for visitors to capture photos and commemorate their experience.

St. Charles Business Alliance Executive Director, Jenna Sawicki, shared her excitement on the new mural on the 1st Street Plaza. "It's been wonderful to see so many people stop and admire the mural and capture photos with it," said Sawicki. "This final STC Live! performance, Summer's Last Spin, is the perfect chance to see the mural in person, enjoy great music, and connect with some of our incredible community partners while picking up some giveaways and information."

The Presenting Sponsor for 2026 STC Live! is McNally's Heating & Cooling. Additional Sponsors include Hollywood Casino Aurora, McGrath Kia of St. Charles, Solutions Networking Corporation, St. Charles Closets, 212 Degree Construction Group, Comcast, Hi-Lite Electric, and St. Charles Chrysler Dodge Jeep Ram.
